Egg Donor Personal Bio

Why have you decided to become an egg donor? I decided to become an egg donor because it gives me the possibility of helping a couple fulfill their dream of starting a family and also helps me fulfill some of my own dreams.

What is your current occupation? I am a model and I also work as an assistant to a doctor who works in orofacial harmonization. I am in charge of the administration as well as organizing the courses that she teaches.

What are your professional aspirations? I want to complete my physiotherapy degree and set up my clinic to start working with orofacial harmonization, which is a new aesthetic sector that has been growing steadily during the last couple of years and one that I've learned a lot .I like to to work to improve people's self-esteem and give them back the joy of feeling good about themselves.

Describe a typical day in your life. I wake up in the morning and prepare my breakfast before I start working at home. After I finish my work schedule I prepare lunch and later, in the afternoon I go to the gym and take care of my body. I like to watch my favorite series at night.

If you could visit anywhere in the world, where would it be and why? Without a doubt it would be Ibiza, for having breathtaking beaches and for being a city with a young spirit.

What would you consider your greatest strengths and weaknesses? Strengths: Hardworking, Determined, Trustworthy, Competent, Generous. Weaknesses: Difficulty saying no, Trying to please people.

Do you have any special skills or hobbies? For example, do you excel in athletics, art, cooking, musical abilities, etc. I like drawing and creating art works with embroidery. When I was younger I excelled at sports, especially handball and volleyball. My handball skills got me a university scholarship.

Describe what you were like as a child. I was always a very active and adventurous girl. I was also very attached to my parents, I just liked snuggling and cuddling with them every time I could. I've always liked to play outside with my neighbors and cousins, I got mad whenever they wanted to go back inside the house. I could spend the entire day outdoors.

Who would you consider to be your role model and why? I have always said that my parents are my role models... I admire their love story very much and I hope to find a love like that someday.

Describe your favorite memory. My favorite memory is when I was a teenager and I started to work part time. I sometimes felt that my life was complicated, but when I

came home at the end of the day, I found my mother sitting on the sofa waiting for me. I always ran to her arms and when I hugged her, all my problems were gone.. Today I live far from her and that is one of the things I miss the most in my daily life.

Describe your personality and character. I am a woman with a strong personality, determined and I am very kind, but also when someone disappoints me, I hardly want that person to be my friend, I forgive but I do not want it for my life anymore.

Regarding my character, I see myself as a very honest and authentic person...

What are your favorite foods? Lasagna, beef stroganoff, risotto, gnocchi, ribs, barbecue.

What is your favorite color? Pink.

What is your favorite place? My home town.

What have been your best achievements as an adult? Being able to rent an apartment by myself and buy furniture and decoration to make it comfortable.

What are your future goals? Graduating from college, creating financial security for my future, moving to a bigger apartment, and building my own family.

What steps have you taken towards them? I'm in the final stage of my college course of studies. I'll graduate soon. It won't take me long to move into a bigger apartment, and I'm already with someone I want to start a family with.

What is your philosophy on life? Always be humble and treat people as you would like to be treated.

What kind of support do you expect from your spouse/partner, family, friends and co-workers during the egg donation process? I am very private about my personal life. Only my partner and my family know about my intention to donate my eggs and all of them support me.

What do you like to do in your free time? Watch movies with my partner and hang out with my friends.

What are your biggest passions in life? Definitely my family.

What were/are your favorite classes in school? Arts and physical education.

What were/are your least favorite classes in school? Mathematics and Portuguese.

Please leave a message to the intended parents. First I want to thank you for taking a look at my profile. I hope with all my heart that you are very happy in this new stage of your life and that you enjoy the beautiful and unforgettable process of becoming parents.
