### Do you have any musical talents? If any, please list.

I can sing, I participated in singing classes for 4 years, I loved being on a stage as a child singing and dancing. I have played keyboard since I was a child(5 years) and a bit of guitar.

### Do you have any artistic abilities? If any, please list.

Yes, I have. I participated in art classes in painting and drawing. I'm still practicing my acting skills. I was a commercial model and still do, sometimes as a model for photos for some brands or as a makeup model. I wrote poems for myself. I love reading poems and books. I've always been an artistic soul, to this day.

### Do you play sports or exercise?

Yes,

I have been doing triathlons for 8 years. I took part in sprint and running competitions, and I was very good at it. I also took part in swimming classes. I go to the gym, I run and swim.

### How often do you exercise?

3-4 days per week.

**Please describe your athletic abilities.**

I have been doing triathlon for 8 years. I took part in sprint and running competitions, and I was very good at it(always took 1st or 2nd place in competitions). I also took part in swimming classes. Today I go to the gym, I also run and swim but not as often as I was before.

**Please describe your personality.**

I am a person who is kind and gentle. I am an empath with a lot of understanding for people and their desires. I am an open, very ambitious and disciplined person. I always try to improve myself so that my life and the people around me are better. Despite the fact that I am a person with a "big heart", I am confident and can set boundaries. I am interested in psychology and foreign languages.

**Please describe your hobbies.**

I am currently studying two majors at the university - English with German and Psychology. In my free time, I love to do sports and be in nature. If I have the opportunity, I always go for a run in the forest or somewhere in nature. I swim or ride a bike. I also love reading books. I travel a lot, which is part of my hobby because I love meeting new people and learning about new cultures.

Anonymous

**If you could send a message to the Intended Parents. What would you say?**

Dear Parents,

I'm really excited about your journey you're going to experience. I can tell it's full of excitement and happiness on your way.

I understand that this journey you're embarking on can be filled with anticipation and perhaps a bit of anxiety. It's completely normal to feel this way. You're about to bring a new life into this world, and that's magical and incredible.

Remember, it's okay to have questions and doubts. Reach out to professionals, join support groups, and communicate with each other. This journey is not just about the destination, but also about the growth and understanding you'll gain along the way.

Take care of each other and yourselves. Your wellbeing is important too. And most importantly, believe in the process and in the love, you must give. I'm sure you're going to be wonderful parents.

**Have you donated eggs in the past?**
