Egg Donation Experience

Why do you want to be an egg donor?	A relative of mine has their first child through the process of surrogacy, and after learning about the process through them, it sparked my interest to become an egg donor. I want to help couples who are having fertility problems similarly to those who have helped my relative.
Do you want an anonymous or open donation?	Anonymous
Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections, and having minor out-patient surgery. Do you feel prepared to commit to this process?	Yes
Are you open to being matched with all types of families regardless of sexual preference, marital status, ethnicity, or sex of the egg recipient? If not, please explain.	Yes
Are you open to meeting the child in the future if that is requested?	Yes
Are you open to exchanging future contact information with your intended Parents(s)?	Yes
Please describe your egg donation experience:	New Donor
