---

What type of sports or exercises?

Boxing, basketball, cheerleading, swimming

---

Please describe your athletic abilities:

The sports I have done are basketball, cheerleading, swimming, boxing and ice skating

---

Please describe your personality:

I like to believe that I am a very open minded person. I'm also very organized . Im also a very compassionate person and I love to see the good in others. I'm a very outgoing person and love to meet new people but at the same time I'm very alert about my surroundings. I have 3 younger siblings so I am a bit of a protector. I'm very big on following the rules and don't like negative I like when people treat each other with respect. My family and friends have a nickname for me and it's "world peace" due to the fact that if there is every a conflict or issue my "positivity and sweet attitude" resolves the issue and due to the fact that I said I like to see everyone treat each other with respect, but I'm also a nice caring person because I want to be one of the reasons why people still believe there are good people in the word.

---

Please describe your hobbies or what you do on your spare time:

My hobbies include reading, making flowers arrangements, boxing, ice skating, hiking, and baking.

---

## Reproductive History

Why do you want to become an egg donor?

I like to believe that DNA isn't what makes a family it's the love, care and support you have for each other. I've always wanted to contribute and help others and there families.

---

If you could send a message to the Intended Parents. What would you say?

Hello, I'm aware picking a donor is quite overwhelming on make the right decision for your family but if there is any further questions, concerns or just curiosity I'd be more then happy to answer. As far as my health goes I know I took a genetics testing a while ago and I was told everything looked perfectly good.

---
