Please describe your athletic abilities:

I am flexible, can handle durable rock climbing/hiking, great swimmer.

Please describe your personality:

My personal perception of my personality would be, I have a great sense of humor. I enjoy making people laugh and smile, and try to think of the beauty and positivity in situations. Though I do have a passionate & sensitive side, I am very opinionated and strong willed when it comes to sticking up for what's right. I also have an extremely nurturing side, I love helping people, I love children and babies, and animals. Being of use to people is important to me.

Please describe your hobbies or what you do on your spare time:

In my spare time I do go to the gym! Like I said above, about 5-6 times a week. I try to hike once every weekend when I have the time. I'm very family oriented so I tend to spend a lot of my weekends with family whether it's for the holidays or a birthday or just because they want to have a barbecue. I love music, I listen to a little bit of everything & enjoy seeing the artists and groups that I like in person in concert. I also love traveling when I can. I love to explore new places, new cultures and their food and music, it's a beautiful learning experience.

Reproductive History

Why do you want to become an egg donor?

Being apart of the process to help create families is something really special to me. As a previous surrogate & mother to my own child, both experiences have been very rewarding to my heart. I feel egg donation will fulfill my life's purpose as well as the purpose for the IP's.

If you could send a message to the Intended Parents. What would you say?

My heart goes out to you and the journey that has lead you to egg donation. I hope to be part of the solution and creation of your beautiful growing family. Thank you, for considering me!
