Describe your character/personality?

Optimistic and cheerful, I feel that whenever I encounter difficulties, I will face them positively. He is also very caring, considerate and very observant towards the people around him.

---

What are your hobbies, talents, or if you won any rewards from the past?

I like to read all kinds of books, my favorite ones are novels and psychology-related books. Music is also a big interest of mine. I like to listen to different styles of music and also like to sing. When I was a student, I often participated in different singing competitions and got very good results. Cooking and exercise are also important parts of my life. The exercises I do most often are running and yoga. Running keeps me healthy and balanced, while yoga helps me relax. These activities not only keep me physically fit but also give me a more positive attitude towards life.

If a message could pass, what would you like to say to the intended parents?

Hello Expectant Parents, Egg donation is a deeply meaningful choice for me. I hope to help couples or individuals who are unable to conceive naturally realize their dreams and become a bridge in life.

This is my way of being able to support others in a practical way, using my health and fertility for the greater good of society. I hope I can help you if I have the opportunity! Thanks
